How to get to the site

Site map

You will only be able to access your stand once you have paid RX France in full for your stand.

The map illustrates the layout of the exhibition site, featuring seven red pavilions numbered 1 through 7. Key access points are marked with 'P' and 'F' symbols, including 'accès / access' at the top left and 'accès / access' near the bottom left. Public transport options are indicated by icons for Metro (M), Tram (T), and Bus (BUS), with specific lines and numbers noted. Landmarks such as 'place des Insurgés de Varsovie', 'porte d'Issy', 'porte de Versailles', and 'Dôme de Paris' are labeled. The map also shows surrounding streets like 'rue Marcel Vol', 'rue de la République', 'rue de la Seine', 'rue de la Porte d'Issy', 'boulevard Lefebvre', and 'boulevard Victor'. A legend at the bottom right identifies the 'Desnouettes Vasco de Gama' area.
