Exhibitor Guide - REEDUCA - october 2025

## Build-up, dismantling and daily deliveries

LOGIPASS concerns all requests for vehicle access during build-up, dismantling and for daily deliveries.

Parking in delivery areas is only authorised for delivery purposes.

**Trucks and passenger vehicles are not allowed inside the pavilions. Only handling equipments is permitted.**

### 1 - Creating an account and access request

Exhibitors must each create their own user account to create their access request . Use your account to track requests and print your entry pass

### 2 - Request approval

Requests made in designated time slots for specific activities (installers / exhibitors / delivery persons) and vehicle type are automatically approved. Other requests are subject to manual approval (special authorisations) subject to availability.

## Deliveries during the opening period

Exhibitors delivery access: 09, 10 and 11 october 2025 from 8:00am to 9:00am, door B.

During deliveries, parking at the site is limited to 1 hour. If exceeded, vehicles in violation will be removed without notice, at the expense of their owners.

Preparing for the Trade Show

# Vehicle access Deliveries

If there is too much traffic, the security services may be forced to temporarily close the entrance to the exhibition site.

No vehicles will be allowed inside the building (except with special authorisation from the organiser).
